## Key and Peele's New Movie, "Keanu," is Purring Along

The County of Los Angeles Department of Animal Care and Control (DACC) took part in the fun-filled media junket last weekend at the Beverly Hills Hilton for the new Key and Peele movie, "Keanu!" The movie debuts on April 29, 2016 at a theater near you. DACC staff and volunteers were invited to attend and asked to bring several shelter kitties looking for good homes. The DACC was able to do just that, and two of the cute kitties were adopted by Jason Mitchell, who played "Bud" in the movie. *Photo attached.*

Cats of all ages and types are available for adoption at the six County Animal Care Centers. If you're looking to bring a kitty in to your family, please visit your nearby animal care center and spend some time finding the right match. Staff and volunteers are on hand to help you find your new buddy!

Please visit [www.animalcare.lacounty.gov](http://www.animalcare.lacounty.gov) for a animal care center location near you.
